Sir,

In reply to your ~~circular~~ No 1245 of the 31st October 1878, returned with its enclosures, I have the honor to inform you that the 3 months entered in the notice for the appearance of any heirs, under Clause 2 of Precis No 16, expired on the 11th December 1878, and that no heirs have appeared. The question of the right of a Kayemguttadar to alienate his village to the prejudice of the reversionary rights of the Government has never yet arisen, but such villages have always been alienated by sale and otherwise.

2. In the present case, the village was mortgaged for 6 years, or from 1867 to 1873, but the mortgage has never yet been redeemed.

The old heriz of the village was Rs 22-1-9, which is also the Kayemgutta amount.
